Risk Warning Disclaimer and Authorisation

The value of investments, and the income from them, may fall as well as rise, and is not guaranteed. Consequently an investor may not receive back the amount originally invested. Past performance is not a guide to future performance. Investments denominated in foreign currencies may be impacted by movements in the exchange rates and investments with fixed or floating interest rates by changes in prevailing rates or expectation of future rates.

Whilst every effort has been made to ensure that the information contained in this document is correct, the directors of Consistent Unit Trust Management Company Limited can take no responsibility for any action taken (or not taken) as a result of the matters considered within it. These views are provided for information purposes only and should neither be construed as constituting investment advice nor be relied on in making an investment decision. The expressions, opinions and recommendations are based on our present understanding of requirements and the current products available in the market place. Any recommendations or illustrations contained herein may be subject to change without notice.

Further information regarding the Fund is available in the full Prospectus, Key Investor Information document and annual/interim report and accounts.
